

## Citizens More Than Soldiers: The Kentucky Militia and Society in the Early Republic (Hardback)

---

By Harry S. Laver

University of Nebraska Press, United States, 2007. Hardback. Book Condition: New. 218 x 142 mm. Language: English . Brand New Book. Historians typically depict nineteenth-century militiamen as drunken buffoons who stumbled into crooked lines, poked each other with cornstalk weapons, and inevitably shot their commander in the backside with a rusty, antiquated musket. Citizens More than Soldiers demonstrates that, to the contrary, the militia remained an active civil institution in the early nineteenth century, affecting the era's great social, political, and economic transitions. In fact, given their degree of community involvement, militiamen were more influential in Kentucky's maturation than any other formal community organization. Citizens More than Soldiers reveals that the militia was not the atrophied remnant of the Revolution's minutemen but an ongoing organization that maintained an important presence in American society. This study also shows that citizen-soldiers participated in their communities by establishing local, regional, and national identities, reinforcing the social hierarchy, advancing democratization and party politics, keeping the public peace, encouraging economic activity, and defining concepts of masculinity. A more accurate understanding of the militia's contribution to American society extends our comprehension of the evolutionary processes of a maturing nation, showing, for example,...

### Reviews

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*

-- Prof. Kirk Cruickshank DDS

*This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better than never. I found out this book from my dad and i encouraged this pdf to find out.*
