## Practical Business Arithmetic (Classic Reprint)

By John H Moore

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Practical Business Arithmetic This work has been prepared with the belief that it will be of genuine service to all interested in business education. It is particularly planned for students pursuing a commercial course in business schools, high schools, and normal schools. The constant aim of the authors has been to develop the subject in such a way as to make it possible for the student to realize both the utilitarian and the cultural value of arithmetic. The topics have been selected with great care, and a logical unfolding of the whole subject has been kept in view. An attempt has been made to give problems which appeal to the needs and interests of the business student, and so to grade and group these problems as to make the mind-furnishing and mind-developing qualities of the subject go hand in hand Inherited puzzles and manufactured conditions which give a false notion of business have been studiously avoided. The subject as a whole has been modernized, and the exercises made simple, natural, and straightforward. The most important...
