Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Brand New Book ***** Print on Demand *****.Excerpt from From Ancient Egypt to Potsdam Italy and the Punic wars, Rome finally conquered Greece; and not content with being the lords of Europe, in the next hundred years, reduced the now weakened Egypt to a state of subjection also. Thus at the time of Christ, the Roman Empire stood at the height of its glory, dominating Southern Europe and the Mediterranean coast of Africa. The race that has given us the Armenian, the Turk, the Syrian, the Levantine and the Jew, had fallen, with the crushing of Egypt, after such centuries of supremacy as history has never known before or since: and having given the final blow to both Egyptian and Greek sovereignty, the Latins, not as they became later under Nero and his successors, indolent and degenerate from too much ease, but alert and vigorous, were the masters of the world. As the Egyptians had done, they sent great forces against the savage tribes, conquering new worlds as well as old. Gaul, Albion and the barbaric hordes of Teutons fell before them; to overcome them later in their turn, after having absorbed by proximity and marriage, the strength and knowledge of the invaders. Expelling the Romans, wresting some of their territory from them, resisting Attila and the Huns, the Franks (a people from the Rhine, but settled in Gaul) now became the dominant people; until culminating in her greatness under Charlemagne, France stepped gracefully aside, not through outside force, but because she lacked a strong man to hold her together; and preferred to keep what she could intact, than by greed to lose much, as Rome did after the days of Julius and Augustus....
