And what do you do when you find the one person from whom hiding your true self isn't an option? Glamorous movie star Dara Thomas has it all: an Oscar nomination, dozens of magazine covers proclaiming her the sexiest woman alive, and people of both sexes clamoring for her attention. She also has a carefully guarded secret life. As Constance Darrow, Dara writes Pulitzer Prize-winning fiction, an outlet that allows her to be so much more than just a pretty face. Rebecca Minton is a professor of American Literature in love with the work of the mysterious, reclusive author Constance Darrow, with whom she strikes up a correspondence. A chance phrase in a letter leads her to a startling conclusion about the author. What happens next will change the course of both of their lives forever.
